Goulburn Street School Fair 2020 – call for help!

The School Association is planning to support a school fair in 2020. A school fair is a fantastic way to bring together families, friends and the local community.

We are looking for people who would like to help lead and coordinate this exciting event.

The person or team of people who lead the organisation of the school fair will be well supported by others who have knowledge and experience with past fairs.

If you would like more information, please contact the School Association at <u>gsps.schoolassociation@gmail.com</u> or chat with any members of the School Association.
